District Superintendent

REQUEST FOR VARIANCE FROM CLASS-SIZE REQUIREMENTS FY17

Alternative

Storey County School District requests that the Nevada State Board of Education grant a variance from the limitation of pupils per licensed teacher in Hugh Gallagher Elementary school:

	School Ratio	Alternative
Grade One	n/a	22:1
Grade Two	n/a	22:1
Grade Three	30	22:1
Grade Four	26	25:1
Grade Five	29	25:1
Grade Six	n/a	25:1

Star Rating	3	ELL % 0	
FRL %	26.53		

Facility Limitations: Yes ___ No X

Difficulty in Hiring Teacher: Yes ___ No X

Funding Limitations: Yes X No ___

Having to hire teachers for just a few students would result in deficient financing.

Projected Enrollment Growth:

None

Other:

The reason we ask for a waiver is that we only have 1 teacher per grade. To comply with strict numbers would result in multi-grade classrooms which the teacher association and the school district does not desire.

Detailed School Level Plan to Reduce Student-to-Teacher Ratios (Including Timeframes):

1. Full time special education teacher with a full time aide to help with at-risk students.
2. There is a second full-time aide to help with students who need additional help or who are at risk.
3. Hired our retired 2nd grade teacher, 2 days per week, to work with students having academic difficulties in literacy.
4. In addition to a full time principal there is a full time teacher in charge to assist students and teachers with the academic program.
5. Instituted a one-to-one laptop individualized 24/7 web-based instruction/blended learning model to assist all students.
6. RPDP trainer to help with implementation of state standards.

Timeline: Annually at start of school year.

ADD ADDITIONAL LINES IF NEEDED
