A yes answer does not necessarily disqualify an applicant for employment. However, a background check and fingerprinting is required of all employees of the school district. If a disqualifying background or fingerprint report is received following an offer and acceptance of employment, the applicant/employee could face termination.

I agree and understand any incorrect/missing statements or omissions of material fact on my part may forfeit my participation in the examination process and/or my right to employment, even if discovered after I have become an employee of Storey County School District.
