Fundraising for Student Activities

Pupil or student fundraising shall include the solicitation and collection of money by pupils for any purpose and shall include the collection of money in exchange for tickets, advertising, raffles or any other goods or services.

The Board prohibits the collection of money in school or on school property or at any school sponsored event by a pupil for their personal benefit. Collection of money by approved school organizations may be permitted in the respective buildings by the building principal. Collections by pupils on behalf of organizations outside the schools may be permitted only by the superintendent.

Minor fundraisers, or those confined to the students in a particular school, such as t-shirt sales, book bags, etc., will be permitted in an unlimited number at the discretion of the principal with the concurrence of the superintendent.

Each (grades K-12) will be permitted to conduct fundraisers with the following guidelines:

- It shall be the responsibility of the individual school principals to request permission from the superintendent for all major fundraisers.
- It shall also be the responsibility of the principals to inform the superintendent as to the number of minor fundraisers being conducted in their respective schools.
- All funds raised by organizations representing themselves as associated with a particular school or the school district are required to be on deposit with the school/district.
- Each fundraiser will maintain a complete financial statement for each fundraiser. This financial statement shall be given to the school/district within one month of the activity.
